Seminar Title: Leading Others

This seminar is ideal for anyone that leads others and consists of up to 8 hours of high quality content which can be facilitated in one day, two half days or spaced learning to best suit your needs.

The *Leading Others* seminar presents a compelling new way of looking at the role of supervisors and managers as one of support rather than one of control.

Effective leaders ensure they manage themselves before they try and influence others.

Through real life examples, powerful case studies, participative exercises and an action orientated format, Participants apply proven leadership principles and character based techniques to bring out the very best of the people they lead.

Never before in the history of our working lives has the call for excellent leadership been as strong as it is now. This seminar will significantly and sustainably help inspire your present and future leaders to achieve excellent results.
